IMPROVEMENT AGREEMENT

WHEREAS Emmanuel Alsina, whose address is 166 NW 16 Street, Homestead, Florida 33030, hereinafter referred to as the **OWNER**, is the owner(s) of the following described property: **Lots 4, 5 and 6, Block 7 of FLA. CITY HIGHLANDS**, according to the plat thereof, as recorded in Plat Book 20, Page 36, of the Public Records of Miami-Dade County, Florida.

AND WHEREAS, the said **OWNER** desires to develop this property in a manner that requires them by law to improve the existing public right-of-way for SW 355th Street in order to obtain a building permit.

AND WHEREAS, the Director of the Dade County Department of Public Works, hereinafter referred to as the **DIRECTOR**, recommends that a building permit not be issued unless the **OWNER** obligates himself to construct half of the full width road for SW 355th Street in accordance with County standards, at a later time;

NOW THEREFORE, the **DIRECTOR**, in consideration of the **OWNER'S** willingness to construct a half width road at a later time upon the **DIRECTOR'S** written request, as specified below, hereby agrees to recommend that a building permit be issued, at this time, without an immediate obligation to construct the usual road improvements within the said existing right-of-way; and

The **OWNER**, in consideration of the **DIRECTOR'S** willingness to temporarily delay the road construction requirement, hereby agree to improve the existing right-of-way, adjacent to the above described property, by constructing a strip of pavement 12 feet in width with asphaltic concrete, 1 inch thick, together with the standard compacted limerock base, meeting Miami-Dade County specifications and standards within 60 days of a written request to do so from the **DIRECTOR**.

It is understood and agreed by the parties hereto, that should the said **OWNER** refuse to improve or fail to make said improvements within said 60 days or be unable to pay for such improvements, the **DIRECTOR** shall have the right to cause said construction to be completed, adjacent to the **OWNER'S** property and to recover from **OWNER**, a pro rata share of the total road improvement costs on a front footage basis by means of annual special assessments which, until paid, shall constitute a lien upon **OWNER'S** property to the same extent as the lien for general County taxes, payment of said assessments, as well as the lien and enforcement of said assessments, shall be the same as for Improvement Districts as stated in Chapter 18 of the Code of Miami-Dade County.

This Agreement shall be binding upon the **DIRECTOR** and the **OWNER** so long as the said **OWNER** has fee simple title in the hereinabove described property and shall be binding upon their successors and assigns as a covenant running with the land, but in the event of a sale of such property by the said **OWNER**, he shall be personally relieved of this obligation.

It is understood and agreed by the parties hereto that the **DIRECTOR** or **MIAMI-DADE COUNTY** is not obligated to construct a roadway or provide public access to **OWNERS'** property referred to herein.

IN WITNESS WHEREOF, the **DIRECTOR** of the Department of Public Works, has executed this instrument and has caused his execution hereof to be attested and they have hereunto placed their hands and seals this 24TH day of, JANUARY A.D. 2007.
